We do **NOT** use MSG!

Mildly spiced
A more obvious presence, but still mild.
A noticeable lingering sensation to the lips and tongue.
The tingling sensation has increased. Now we starting to feel the fire.
This is serious business. Beads of perspiration may appear on the brow and the sinuses will be stimulated. A pleasant felling will overwhelm chili lovers.

Highlighted dishes can be ordered as special lunches.
Please call us for details about our special lunch menu.
